

CEMETERY TRUSTEE MEETING
MAY 12, 2009

PRESENT: Don Burke, Janet Brown, Rob Gordon

GUEST: Judy Rogers

Meeting called to order @5:00pm.

The November 10, 2008 minutes were read and accepted by all.

There were no meetings in Dec., Jan., Feb., March and April of this year.

Winter ice storm damage took its toll at all cemeteries. Pine Grove, East Weare, Johnson, Center Square, Collins, Hadley, Eaton and Sugar Hill.

All of us expressed concerns about the invoice from Cutting Blade for extra cost of cleanup at the cemeteries. We all thought cleanup Spring and Fall is in the contract with us. Where does the cleanup start, and extra comes in. We need to see where the extra cleanup is and approve it. Don will send letter to Cutting Blade requesting that we will look at cleanup extra work and decide how we will do it.

Inmates – week of June 8, 2009 – various cemeteries grind limbs repair head stones, stonewall building.

We were disappointed to see head stones pushed in by plowing and at the Oil Mill Cemetery. We should have been notified. Don will talk to all about the major concerns we have about Oil Mill. It has been six years waiting to repair the front granite at this cemetery. Shame on us it looks terrible.

We hope to replace back fence at Pine Grove Cemetery. Rob Gordon will check prices of fencing and posts. We hope to have prisoners help us with this project.

Meeting adjourned at 6:16p.m.

Respectfully submitted,

Janet Brown
Secretary
